Job Title: *Mechanical Assembler*

Company Overview:

Obsidian Manufacturing Industries, Inc. is a leading manufacturer located in Rockford, IL, dedicated to producing high-quality mechanical components. Our commitment to innovation and excellence drives us to maintain a dynamic and supportive work environment for our employees.

Key Responsibilities:

- *Assemble mechanical components and systems according to specifications and quality standards.*
- *Conduct inspections of finished products to ensure functionality and safety.*
- *Collaborate with the engineering team to resolve any assembly-related issues.*
- *Maintain a clean and organized workspace, following safety protocols.*
- *Document assembly processes and report any discrepancies to management.*

Required Skills and Qualifications:

- *High school diploma or equivalent; technical training or certification in mechanical assembly is a plus.*
- *Proven experience in mechanical assembly or a related field.*
- *Strong attention to detail and ability to work with precision tools.*
- *Excellent problem-solving skills with a focus on quality assurance.*
- *Ability to work independently and as part of a team in a fast-paced environment.*

We Offer:

- *Competitive hourly wage, this position is \$17/hr to \$30/hr, depending on skills and experience*
- *Paid holidays*
- *Paid vacation plan*
- *Medical plan with Dental, Vision, and Life Insurance*
- *Retirement Savings Plan*
