Grinder Operator

Obsidian Manufacturing Industries, Inc., the OEM for Magna-Lock USA workholding, MagnaLift & Power-Grip lift magnets, and Arter Precision Grinding Machines, is seeking a highly motivated individual to join our team to organize, follow up with, and assist in the overall organization of sales leads.

Team member of surface grinding services team. The main responsibility of the team is providing top quality surface grinding services for our customers in the most efficient way possible. We currently have 3 rotary, 2 horizontal Mattison grinders and one Arter grinder. This is a fast-paced environment that may involve working on a variety of tasks each day. This is NOT a production/assembly line environment. Due to our large catalog of products and services, individual must be willing to cross train within the shop.

Requirements

- Must be able to lift 50 pounds
- Must provide own basic electrical and mechanical tools and personal toolbox
- Must be a self-starter who can perform assigned tasks with minimal supervision
- Willing to perform general maintenance on grinding machines as instructed
- Must have good communication skills both written and verbal
- The ability to work well with others in a team environment is required.

Useful skills

- Proven experience of grinding on various metals is a plus
- Ability to read and interpret blueprints, technical drawings and wiring schematics
- Use of precision gauges and measuring tools
- Experience with grinders, lathes, milling machines
- A general knowledge of machine tool types, their function, and typical machining process is a plus
- The successful candidate will be organized, self-starting and capable of working independently
- Reliability, a strong work ethic and problem solving are essential. Maintaining cleanliness and organization of work area
- Calculate raw material requirements for production
- Work with management and engineering departments to ensure production deadlines are met
- Experience in the following areas is a plus
 - assembly
 - metal fabrication
 - machinery rebuilds
 - magnetism/electromagnetics

We offer a competitive hourly wage, paid holidays, paid vacation, medical plan with dental, vision, and life insurance. This is a full-time, in-house position with hours from 7am-4pm Monday through Friday. Our address is 5015 28th Avenue, Rockford, IL.

We encourage you to check out our brands and the products & services we offer prior to applying at obsidianmfg.com/brands.

Obsidian Manufacturing Industries, Inc. is an EEOC employer.
